2. Note: In Hicks, The Appellate Court stated A very strong Statement ... "A CRIMINAL justice system can only call itself A Justice system if cases ARE generally decided ON their Merits.

MEMORANDUM

The King finds pleasure in a servant who acts with insight. But his fury is against the one and/or ones who acts shamefully. [Proverbs 14:35]

A mild answer turns away rage but a harsh word stirs up anger. The tongue of the wise makes good use of knowledge but the mouth of the stupid blurts out foolishness. The eyes of Jehovah are everywhere, watching both the bad and good.

A calm tongue is a tree of life. But twisted speech causes despair. [A shrewd person accepts correction ... but the produce of the wicked one brings on them trouble.] The lips of the wise spread knowledge, but not so the heart of the stupid one ... But the prayer of the upright, is a pleasure to Him. Jehovah detests the way of the wicked one but he loves the one who pursues righteousness. Discipline seems bad to one forsaking the way, but whoever hates reproof will die. [Proverbs 15:1-10]

As Judge Learned Hand once said:

"Liberty lies in the hearts of men and women; when it dies there, no constitution, no law, no court can save it; no constitution, no law, no court can even do much to help it."
